WELCOME

Dear Students and Parents,

Welcome to our end of term newsletter, April edition.

After our successful production, Rays of Rhythm 5 'Masi da Mission' in April, we returned to the studio to continue training our students. It has been a delight to watch our students who participated in the production excel this term. Such growth is purely due to the experience and confidence students gained from performing at a high-level production. So, a big well done and congratulations to all of our students once again!

We are happy to announce that our chosen charity for this year's production is JDRF, the 'world's leading research diabetes charity'. The charity's cheque was presented to 6 years old, Anya Shah who suffers from type 1 diabetes. Anya has touched our hearts with her beautiful smile and great dancing. Along side Anya, her loving and caring parents have inspired everyone at Sapnay to raise awareness of both the charity and the cause in hopes to develop better solutions for young children who suffer from this condition.

Sapnay has also been busy with various shows, corporate events and the wedding season, keep reading to find out what we have been up to and for more information on our latest projects.

TERM UPDATES

'WEDDING KA SEASON HAI'

As you know this time of year it's all about weddings! Sapnay has been busy helping brides and grooms across the UK making their celebrations extra special, showcasing spectacular work in elegant locations. Wedding season is not over yet, if you want an exciting performance that shows off your love, or want to surprise the happy couple with a group routine, contact us now!

COMMERCIALS & VIDEO SHOOTS

Spot Sapnay in upcoming singer Jyoti's music video, whom we provided a fierce hip-hop inspired concept and choreography. Sapnay was also part of a Sainsbury's online advert and in a leading hotel brand TV commercial or keep your eyes peeled and tweet us when you see us on TV or online.

ENTERTAINMENT & WORKSHOPS

Sapnay is honoured to have performed at Indian cricket team captain, Virat Kohli's Charity Ball at the prestigious venue The HAC. We are proud of the exquisite performance delivered to guests in attendance who included the Indian cricket team itself. We put a hop in the step of the hard working NHS nurses at a customised workshop on Nurses Day and also helped to create memorable birthdays with Bollywood dance party experiences.
